શહેરમાં રહે છે તે ગામો પર કારોની વધી રહીથી સોખા અને તેના કારણે ઉત્પન્ન થયેલી સમસ્યાઓ જેવા કે ડ્રાફ્ટિંગ ખમ, લ્યાનું મદુપણ અને વી. ખમુલ છે. આવીકમાં કૃષિ અને વિકાસ કારોની સંખ્યાની કૃષિ મુદ્દા વિસ્તાર છે અને આ વલણ આજે લોકોમાં આકે આદર્શ નમૂનો બની ગયા છે. સરકાર ત્રણ બહુર વાહનવ્યવહારને શહેરો વિસ્તારમાં પ્રોત્સાહન આપવું અને કારો પરનું જોડીતે સવલનબન ઘટાડવું એ જ ઉચિત ઉપાય દર્શાવેલું છે.

બહુર વાહનવ્યવહારના

ઉપયોગને પ્રોત્સાહિત કરવાનો એક રસ્તો એ છે કે વ્યક્તિગત રીતે કારોના ઉપયોગ મોઢી અને પ્રત્યક્ષ બનાવવા બેઠવે. ઘણાં શહેરોમાં માર્ગો પર જકાલનો સૂમનોનાં મદુપણા પૂર્વક સામલ થાય છે. મોઢી કારપાર્કિંગને મંજૂરી આપી અને મધ્યસ્થિત કારપાર્કિંગ દ્વારા નિયમન પણ આપા જે સમ્ય ઉપાયો છે. ડાંપી, કિમલોનો (નામનો અને પાર્કિંગ માર્ગ વગવાના સ્થળો) આભાવના કારણે લોકો કારને બેઠવે બસ અને ટ્રેનો વધુ પરંદ કરશે. બરેબર બહુર વાહનવ્યવહારને વધુ આરામદાયક અને અનુકૂળ બનાવી વધુ લોકોને આકર્ષવાનું કામ કરવું બેઠવે.

XYZ,  
The Sales Manager  
Nil Plasto Lmt.  
Vadodara  
25<sup>th</sup> Sep. 2011

TO,

The General Manager,  
Nil Plasto Lmt. (Main branch)  
Ahmedabad - 380001

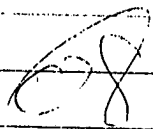

Sub:- To know you the  
reasons of decline  
in sales.

Respected sir,

During last three or four weeks, we have been facing the problem of decline in the sales. I have also searched for it and also got some reasons for the problem. The first is that we are now competing with the new another company named 'cello plasto Pvt. Lmt.' Our product is expensive in the comparison of 'cello'. So, people prefer the cheap one. I have come to know that some salesmen are not working by heart. It affects the decline of sale. Last month, I have got

the complain by the people which were related to the quality of product. The problem is same and the reason of poor quality is the poor condition of machines of our company. Last month five employees who were salesmen left up the job because of the poor salary. So, now a days we have been facing the shortage of salesmen.

Enough staff, amendment of machines and by making the product cheaper than the other companies, we can improve our level. I will try my best to amend in condition. Hoping that you will take steps on war footing to remove the related problems.

Yours faithfully.

## [ Q. 2 ] "Corruption"

Today, our country has been facing uncountable problems like population, poverty, unemployment, terrorism, Inflation ..... etc. The menu is so long that we can't count it on fingers. But the one big problem is "Corruption".

Inspite of Anti-Corruption Act - 1948, we have failed to curb the corruption. Now a days, a man is giving money to the politician or to the bureaucrat to do the right work at the right time. Inspite of being agencies like CBI or IT Dept. the corruption is spreaded from top to bottom. The biggest scandals of 1986, the coffin scam, hawala scam, fodder scam of Bihar and now in present 2G mess, CWG imbroglia, Adarsh society scam and the illegal mining in Karnataka are the examples of corruption which damage the image of our country all over the world. There are certain reasons for corruption.

politicians give discourses during the election time that they will do everything that the people want. But after the election they become our boss. This is the time to ask the question to our representative MP and also to use our adult franchise in a right way. The coalition has proved its incompetence. P. Chidambaram who has the responsibility to protect the country from the evil, the home minister is indulged in 2 or mess.

Today, the referendum is against the corruption and it is seen in the support of the movement of Anna Hazare and Swami Ramdev. Strong political will is necessary to eradicate this type of problem. The people of India are missing the leader like Sardar Patel and Lal Bahadur Shastri. The inner consciousness of soul soul can help in this calamity. Everyone should show the honesty that is shown by Santosh Hegde and Vinod Ray, the CAB of our country.

Illiteracy is also responsible in this matter. The educated people also take shelter of corruption because of the lack of right knowledge. The govt. will do its duty, but as an Indian we should perform our duty and to disclose the corrupt people. Our patriotism will save the country.

"A strong movement by youth only can remove the corruption from our country and every student should start it within himself and should take a vow to eradicate the evil from the country."

[Q.2]

"WOMAN - The carer of child"

Women have proven themselves better parents than men because of their conditioning, less aggressive natures and better communication skills. The girls play a role of a carer from childhood, while boys, a far removed from nurturing. More patient, gentle manner and less aggressiveness is shown by women which is necessary in rearing children. On the opposite of men, women are less violent in solving their problems. Above all, children tend to learn from communication and women are better communicators than men.
